This Practice Exam from the 2012 international administration is provided by the College Board for AP Exam preparation. Teachers are permitted to download the materials and make copies to use with their students in a classroom setting only. To maintain the security of this exam, teachers should collect all materials after their administration and keep them in a secure location.

Exams may not be posted on school or personal websites, nor electronically redistributed for any reason. Further distribution of these materials outside of the secure College Board site disadvantages teachers who rely on uncirculated questions for classroom testing. Any additional distribution is in violation of the College Board’s copyright policies and may result in the termination of Practice Exam access for your school as well as the removal of access to other online services such as the AP Teacher Community and Online Score Reports.

Section I: Multiple Choice Booklet Instructions

Section I of this exam contains 60 multiple-choice questions. Fill in only the circles for numbers 1 through 60 on your answer sheet.

Indicate all of your answers to the multiple-choice questions on the answer sheet. No credit will be given for anything written in this exam booklet, but you may use the booklet for notes or scratch work. After you have decided which of the suggested answers is best, completely fill in the corresponding circle on the answer sheet. Give only one answer to each question. If you change an answer, be sure that the previous mark is erased completely.

Use your time effectively, working as quickly as you can without losing accuracy. Do not spend too much time on any one question. Go on to other questions and come back to the ones you have not answered if you have time. It is not expected that everyone will know the answers to all of the multiple-choice questions.

Your total score on the multiple-choice section is based only on the number of questions answered correctly. Points are not deducted for incorrect answers or unanswered questions.

Section II: Free Response Booklet Instructions

The questions for Section II are printed in this booklet. You may use page 3 of this booklet to organize your answers and for scratch work, but you must write your answers on the lined pages provided for each question.

Write clearly and legibly. Do not skip lines. Cross out any errors you make; crossed-out work will not be scored.

Manage your time carefully. The proctor will announce the suggested time for each question, but you may proceed freely from one question to the next. You may review your responses if you finish before the end of the exam is announced.

SECTION I: Multiple Choice

Do not begin the exam instructions below until you have completed the appropriate
General Instructions for your group.

Make sure you begin the exam at the designated time.

If you are giving the regularly scheduled exam, say:

It is Tuesday morning, May 15, and you will be taking the AP United States
Government and Politics Exam.

If you are giving the alternate exam for late testing, say:

It is Wednesday morning, May 23, and you will be taking the AP United States
Government and Politics Exam.

In a moment, you will open the packet that contains your exam materials. By opening this packet, you agree to all of the AP Program’s policies and procedures outlined in the 2011-12 Bulletin for AP Students and Parents. You may now remove the shrinkwrap from your exam packet and take out the Section I booklet, but do not open the booklet or the shrinkwrapped Section II materials. Put the white seals aside.

Look at page 1 of your answer sheet and locate the dark blue box near the
top right-hand corner that states, “Take the AP Exam label from your Section I
booklet and place the label here.”

Now look at the front cover of your exam booklet and locate the AP Exam
label near the top left of the cover.

Carefully peel off the AP Exam label and place it on your answer sheet on the
dark blue box that we just identified.

Now read the statements on the front cover of Section I and look up when
you have finished.
Sign your name and write today’s date. Look up when you have finished.

Now print your full legal name where indicated. Are there any questions?

Turn to the back cover and read it completely. Look up when you have finished.

Are there any questions?

Section I is the multiple-choice portion of the exam. You may never discuss these specific multiple-choice questions at any time in any form with anyone, including your teacher and other students. If you disclose these questions through any means, your AP Exam score will be canceled. Are there any questions?

You must complete the answer sheet using a No. 2 pencil only. Mark all of your responses on your answer sheet, one response per question. Completely fill in the circles. If you need to erase, do so carefully and completely. No credit will be given for anything written in the exam booklet. Scratch paper is not allowed, but you may use the margins or any blank space in the exam booklet for scratch work. Are there any questions?

You have 45 minutes for this section. Open your Section I booklet and begin.

Note Start Time here __________. Note Stop Time here __________. Check that students are marking their answers in pencil on their answer sheets, and that they are not looking at their shrinkwrapped Section II booklets. After 45 minutes, say:

Stop working. Close your booklet and put your answer sheet on your desk, face up. Make sure you have your AP number label and an AP Exam label on page 1 of your answer sheet. I will now collect your answer sheet.

Collect an answer sheet from each student. Check that each answer sheet has an AP number label and an AP Exam label. Then say:

Now you must seal your exam booklet. Remove the white seals from the backing and press one on each area of your exam booklet cover marked “PLACE SEAL HERE.” Fold each seal over the back cover. When you have finished, place the booklet on your desk, face up. I will now collect your Section I booklet.

Check that each student has signed the front cover of the sealed Section I booklet. There is a 10-minute break between Sections I and II. When all Section I materials have been collected and accounted for and you are ready for the break, say:

Please listen carefully to these instructions before we take a 10-minute break. Everything you placed under your chair at the beginning of the exam must stay there. Leave your shrinkwrapped Section II packet on your desk during the break. You are not allowed to consult teachers, other students, or textbooks about the exam during the break. You may not make phone calls, send text messages, check email, use a social networking site, or access any electronic or communication device. Remember, you are not allowed to discuss the multiple-choice section of this exam. Failure to adhere to
any of these rules could result in cancellation of your score. Are there any questions? . . .

经营活动 You may begin your break. Testing will resume at ________.

SECTION II: Free Response

After the break, say:

May I have everyone’s attention? Place your Student Pack on your desk. . . .

You may now remove the shrinkwrap from the Section II packet, but do not open the exam booklet until you are told to do so. . . .

Read the bulleted statements on the front cover of the exam booklet. Look up when you have finished. . . .

Now place an AP number label on the shaded box. If you don’t have any AP number labels, write your AP number in the box. Look up when you have finished. . . .

Read the last statement. . . .

Using your pen, print the first, middle and last initials of your legal name in the boxes and print today’s date where indicated. This constitutes your signature and your agreement to the statements on the front cover. . . .

Turn to the back cover and read Item 1 under “Important Identification Information.” Print the first two letters of your last name and the first letter of your first name in the boxes. Look up when you have finished. . . .

In Item 2, print your date of birth in the boxes. . . .

In Item 3, write the school code you printed on the front of your Student Pack in the boxes. . . .

Read Item 4. . . .

Are there any questions? . . .

I need to collect the Student Pack from anyone who will be taking another AP Exam. You may keep it only if you are not taking any other AP Exams this year. If you have no other AP Exams to take, place your Student Pack under your chair now. . . .

While Student Packs are being collected, read the information on the back cover of the exam booklet. Do not open the booklet until you are told to do so. Look up when you have finished. . . .

Collect the Student Packs. Then say:

Are there any questions? . . .
You have 1 hour and 40 minutes to complete Section II. It is suggested that you spend 25 minutes answering each question. At various points, you will be advised to move on to the next question. You are responsible for pacing yourself, and may proceed freely from one question to the next. You must write your answers in the exam booklet using a pen. Write the number of the question you are working on at the top of each page in the exam booklet. If you need more paper during the exam, raise your hand. At the top of each extra piece of paper you use, be sure to write only your AP number and the number of the question you are working on. Do not write your name. Are there any questions? . . .

You may begin.

Note Start Time here ________, Note Stop Time here __________. Check that students are using pens to write their answers in their exam booklets. After 25 minutes, say:

You should move on to Question 2 if you have not already done so.

After 25 minutes, say:

You should move on to Question 3 if you have not already done so.

After 25 minutes, say:

You should move on to Question 4 if you have not already done so.

After 15 minutes, say:

There are 10 minutes remaining.

After 10 minutes, say:

Stop working and close your exam booklet. Place it on your desk, face up. . . .

If any students used extra paper for the free-response section, have those students staple the extra sheet/s to the first page corresponding to that question in their exam booklets. Then say:

Remain in your seat, without talking, while the exam materials are collected. . . .

Collect a Section II booklet from each student. Check for the following:

- Exam booklet front cover: The student placed an AP number label on the shaded box, and printed his or her initials and today’s date.
- Exam booklet back cover: The student completed the “Important Identification Information” area.

When all exam materials have been collected and accounted for, return to students any electronic devices you may have collected before the start of the exam.
If you are giving the regularly scheduled exam, say:

You may not discuss these specific free-response questions with anyone unless they are released on the College Board website in about two days. You should receive your score report in the mail about the third week of July.

If you are giving the alternate exam for late testing, say:

None of the questions in this exam may ever be discussed or shared in any way at any time. You should receive your score report in the mail about the third week of July.

If any students completed the AP number card at the beginning of this exam, say:

Please remember to take your AP number card with you.

Then say:

You are now dismissed.

All exam materials should be put in secure storage until they are returned to the AP Program after your school’s last administration. Before storing materials, check the “School Use Only” section on page 1 of the answer sheet and:

• Fill in the appropriate section number circle in order to view a separate AP Instructional Planning Report (for regularly scheduled exams only) or Subject Score Roster at the class section or teacher level. See “Post-Exam Activities” in the 2011-12 AP Coordinator’s Manual.

• Check your list of students who are eligible for fee reductions and fill in the appropriate circle on their registration answer sheets.
Use this section to capture student responses. (Note that the following answer sheet is a sample, and may differ from one used in an actual exam.)

To maintain the security of the exam and the validity of my AP score, I will allow no one else to see the multiple-choice questions. **S. LANGUAGE** — Do not complete this section unless instructed to do so.

If this answer sheet is for the French Language and Culture, German Language and Culture, Italian Language and Culture, Spanish Language, or Spanish Literature Exam, please answer the following questions. Your responses will not affect your score.

1. Have you lived or studied for one month or more in a country where the language of the exam you are now taking is spoken?
   - Yes
   - No

2. Do you regularly speak or hear the language at home?
   - Yes
   - No

Indicate your answers to the exam questions in this section. If a question has only four answer options, do not mark option E. Your answer sheet will be scored by machine. Use only No. 2 pencils to mark your answers on pages 2 and 3 (one response per question). After you have determined your response, be sure to completely fill in the corresponding circle next to the number of the question you are answering. Stray marks and smudges could be read as answers, so erase carefully and completely. Any improper gridding may affect your score. Answers written in the multiple-choice booklet will not be scored.
Be sure each mark is dark and completely fills the circle. If a question has only four answer options, do not mark option E.

Section I: Multiple-Choice Questions

This is the multiple-choice section of the 2012 AP exam. It includes cover material and other administrative instructions to help familiarize students with the mechanics of the exam. (Note that future exams may differ in look from the following content.)
DO NOT OPEN THIS BOOKLET UNTIL YOU ARE TOLD TO DO SO.

Instructions

Section I of this exam contains 60 multiple-choice questions. Fill in only the circles for numbers 1 through 60 on your answer sheet.

Indicate all of your answers to the multiple-choice questions on the answer sheet. No credit will be given for anything written in this exam booklet, but you may use the booklet for notes or scratch work. After you have decided which of the suggested answers is best, completely fill in the corresponding circle on the answer sheet. Give only one answer to each question. If you change an answer, be sure that the previous mark is erased completely. Here is a sample question and answer.

Sample Question  Sample Answer
Chicago is a (A) state (A) ● (B) city (C) country (D) continent (E) village

Use your time effectively, working as quickly as you can without losing accuracy. Do not spend too much time on any one question. Go on to other questions and come back to the ones you have not answered if you have time. It is not expected that everyone will know the answers to all of the multiple-choice questions.

Your total score on the multiple-choice section is based only on the number of questions answered correctly. Points are not deducted for incorrect answers or unanswered questions.
The inclusion of source material in this exam is not intended as an endorsement by the College Board or ETS of the content, ideas, or values expressed in the material. The material has been selected by the government and politics faculty who serve on the AP United States Government and Politics Development Committee. In their judgment, the material printed here reflects various aspects of the course of study on which this exam is based and is therefore appropriate to use to measure the skills and knowledge of this course.

- Senate filibuster allows a senator on the floor to:
  - Prevent/delay action on a particular bill.
  - Prevent/delay other business from being conducted.
- Rules Committee schedules or manages the flow of legislation on the floor to:
  - Make it easier or more difficult for a bill to pass.
  - Make the process more efficient/orderly/manageable.
- Conference Committee reconciles differences in House and Senate versions of a bill.

Must describe the role in lawmaking explicitly.

Part (b): 1 point

- Committee hearings
- Confirmation or rejection of political appointments to the bureaucracy
- Investigations
- New legislation
- Legislative veto

Must describe the context in which Congress uses the method to oversee the bureaucracy.

Part (c): 1 point

- Diverts time, resources, and staff, thus reducing members’ ability to focus on legislation.
- Develops awareness of problems, thus focusing more time and resources on related legislation.

A score of zero (0) is assigned to an answer that is completely off task or is on task but earns no points. A score of dash (—) is assigned to an answer that is blank.
Question 2

5 points

Part (a): 1 point

One point is earned for demonstrating an increase in minority representation between 1960 and 2010.

Part (b): 2 points

One point is earned for an explanation of how the Voting Rights Act of 1965 assisted in the removal of barriers to minority voting:

- Eliminating voter registration requirements (e.g., literacy tests, residency requirements) that prevented minorities from voting led to increased access for minority voters.
- Creating federal oversight of elections helped eliminate discriminatory mechanisms (e.g., voter intimidation, ballot fraud) that were used to prevent minority voters from voting, which led to increased access for minority voters.
- Eliminating the use of English-only ballots that prevented non-English-speaking minorities from voting led to increased access for minority voters.

A second point is earned for an explanation of how the Twenty-fourth Amendment assisted in the removal of barriers to minority voting: Eliminating poll taxes that limited voting by lower-income people led to an increase in minority voting because minorities are often overrepresented among poor people.

Part (c): 2 points

One point is earned for identifying one barrier that currently impedes minority representation in Congress. The barrier may affect either minority candidates running for Congress or minority voters attempting to vote for minority candidates.

<tr>
<th>Minority Candidates</th>
<th>Minority Voters</th>

<tbody>
<tr>
<td>Incumbency advantage</td>
<td>I.D. requirements</td>

<tr>
<td>Gerrymandered districts</td>
<td>English-only ballots</td>

<td>Purging voter rolls</td>
</tr>
<tr>
<td>Electoral resources</td>
<td>Voter intimidation</td>
</tr>
<tr>
<td>Electoral qualifications</td>
<td>Single-member districts/winner-take-all</td>
</tr>
</tbody>
</table>

A second point is earned for explaining how the barrier identified above inhibits minority representation in Congress:

- A minority candidate barrier must explain how the barrier identified above limits minority representation.
- A minority voter barrier must explain how the barrier limits minority participation and how that directly affects minority representation in Congress.

A score of zero (0) is assigned to an answer that is completely off task or is on task but earns no points. A score of dash (—) is assigned to an answer that is blank.

Scoring Worksheet

The following provides a worksheet and conversion table used for calculating a composite score of the exam.
2012 AP United States Government and Politics Scoring Worksheet

Section I: Multiple Choice

\[
\frac{\text{Number Correct}}{(\text{out of 59}^*)} \times 1.0169 = \frac{\text{Weighted Section I Score}}{(\text{Do not round})}
\]

Section II: Free Response

Question 1
\[
\frac{\text{Answer}}{(\text{out of 5})} \times 3.0000 = \frac{\text{Score}}{(\text{Do not round})}
\]

Question 2
\[
\frac{\text{Answer}}{(\text{out of 5})} \times 3.0000 = \frac{\text{Score}}{(\text{Do not round})}
\]

Question 3
\[
\frac{\text{Answer}}{(\text{out of 8})} \times 1.8750 = \frac{\text{Score}}{(\text{Do not round})}
\]

Question 4
\[
\frac{\text{Answer}}{(\text{out of 6})} \times 2.5000 = \frac{\text{Score}}{(\text{Do not round})}
\]

Sum = \[
\frac{\text{Weighted Section II Score}}{(\text{Do not round})}
\]

Composite Score

\[
\frac{\text{Weighted Section I Score}}{} + \frac{\text{Weighted Section II Score}}{} = \frac{\text{Composite Score}}{(\text{Round to nearest whole number})}
\]
